

Name _____

Read the story.

Follow the directions below.

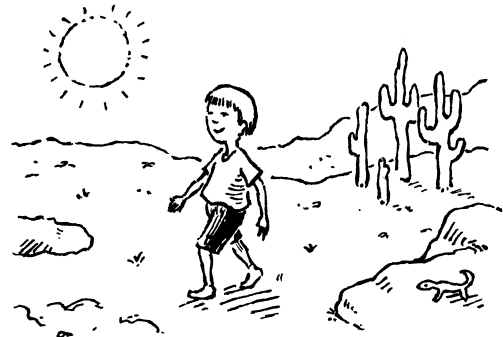

The trees dripped with rain. The ground felt soft under my feet. Everywhere I looked, the forest was green. The air was chilly and dark. I liked hiking in the rain forest.

1. Write the sentence that tells the main idea.

2. Underline the sentences that tell the details of the story.

I kicked up dust with my feet. The sky was open and bright. Soon the sun would set. I was glad because I knew it would cool off soon! It was hot in the desert, but it was beautiful.

3. Write the sentence that tells the main idea.

4. Underline the sentences that tell the details of the story.

Write a good title for each of these stories.

5.

6.

Home Activity Your child identified the main idea in a story. Take a walk together around your neighborhood or near the school. Ask your child to describe the features of that area as you walk and to think of one sentence that describes it best.
